

Carrie Caruso bridges the gap between rock and atmospheric music with an elegance that only a master of the violin can offer. With a sweetly singing bow and an electric stage presence, she is the perfect choice to lend a moving, soulful elegance to your event.

She performs chic, sophisticated versions of popular tunes ranging from Mick Jagger to Imagine Dragons. Carrie is an exquisite option for wedding ceremonies, with a full repertoire of classical, romantic, rock and jazz pieces. For Holiday parties, Carrie has a full list of the latest popular Holiday songs, as well as songs of the season, both traditional secular and spiritual.
